Maria W. Chapman

Dear friend

In short time since, I wrote to C. H. Whipple (by direction of Bro Wright) requesting him to forward the Non-resistant, with all the Back No's, to C. M. Macy, J^r M. Coffin, W. F. P. and to Seth Mitchell commencing with No 14. The back No's were sent to C. M. Macy duly enveloped and marked, but not to the other two. A day or two ago the postmaster informed me that there was in the office, a package consisting of 26 Non-resistant marked Nantucket. I took them and found 2 sets (with the exception of the No 2nd) these, I suppose were intended for J. M. C. and W. F. P. and I shall hand them to them.

Bro Wright has received the following subscriptions & requested me to mention it to you.

as Mr. Macy were, it will prevent all trouble.
The C. W. expects to leave us tomorrow, or the next day, and
while we feel that we have had a much longer visit
than we could rightfully claim, it is hard to say Farewell.
We have had I believe 10 Non-resistance meetings and
3 Lectures (or the same repeated) on Human Rights and
beside these, he has been constantly engaged socially,
there can be no doubt, to good purpose.

Do you not have the W^o Non-residents?

Will Mr Bates be so good as to attend to
this & have the name of Charlotte Austin put
on the list of agents in the Non-Resistant.
